

Policy No. 105

## **Rate of Council Match**

Adopted: July 16, 1999

This policy establishes guidelines for computing the rate of match for the time individuals give to Council efforts.

The rate of \$25.00 an hour is established for computing match when:

Council members attend Council, Committee and Workgroup meetings.

Council members spend time on Council related duties or assignments.

Non-Council members, appointed by the Council, attend meetings or Council-sponsored activities.

In-kind contributions of time are used for contracted activities.

The time of state, federal employees, or those persons who are paid by federal monies shall not be used for match.

Signed documentation of time is required in order to claim match.
