

Workforce Development Program Funds and Services in Washington

The Workforce Training and Education Coordinating Board developed this at-a-glance summary of Washington's key workforce development programs. Fiscal years vary between programs. The annual funding and participant numbers listed below is the latest information available. Most of the annual data is for 2008-2009. The funding amounts listed do not include any one-time Recovery Act dollars. For more detailed information on each program, including the specific fiscal year, visit the online Workforce Development Directory at www.wtb.wa.gov/WorkforceDevelopmentDirectory.asp.
