

# WIA PY10 Aerospace 10% Project Timeline

*Date: June 8, 2011*

## Summary

The Governor has dedicated \$1.6 million dollars of Workforce Investment Act funds to support specific aerospace training goals. To ensure that the funds provide real results, the Governor has set expectations to track performance and participant outcomes. This paper outlines the specific project timelines and milestones so that ESD staff and WDCs can meet those expectations.

## Project Milestones

March 24, 2011	Aerospace Conference Call w/ WDC Directors
May 17, 2011	Governor's Press Conference on aerospace project
May 31, 2011	Governor's Directive on use of WIA 10% funds to support aerospace issued
June 2, 2011	Governor's Directive on use of WIA 10% funds distributed publicly
